1 DEAD, 17 INJURED IN COLUMBIANA BLAST

Salem's East Cold Run Reservoir Takes Shape

Truman Signs Controls Laws

Reluctantly, However; Price Rises Foreseen

WASHINGTON (AP)—Ten more months of life have been granted the economic controls law—curbing wages, prices, rents and the like—and President Truman will say today what he thinks of its new look.

After Truman signed the bill yesterday a few hours before the midnight expiration deadline, the White House announced he would issue a statement today setting forth his views.

Congressional leaders, like House Speaker Rayburn of Texas, said they found Truman unenthusiastic about the measure sent to him by Congress Saturday night. He signed it reluctantly, they said, feeling it was all he could do.

The Office of Price Stabilization, still studying the legislation, withheld formal comment. One OPS chieftain who asked anonymity said: "Every change in the act is calculated to raise prices substantially."

Many legislators who voted for the bill contended inflationary pressures are slackening, making tight controls unnecessary. The House originally voted to end all price controls, in effect, but this was dropped by a Senate-House conference which worked out the compromise finally accepted.

The new law keeps the lid on prices and wages generally for the next 10 months, until April 30, 1953. It continues authority for allocating scarce materials for a full year, until June 30, 1953.

Federal rent controls will last three months, until Sept. 30, except in areas certified as critically in need of defense housing or those in which local authorities request their continuance.

Dropped from price control are processed fruits and vegetables—frozen, canned and so on. OPS officials complained this would bite into the housewife's food budget, much of which they said went for such items.

Government curbs on consumer credit—the installment plan for buying things like automobiles and refrigerators—died with the old act last midnight.

Real estate credit restrictions were relaxed, but officials announced there would be no immediate change in Regulation "X", which sets minimum cash down payments for home purchases.

PROGRESS on Salem's new 660,000,000 gallon East Cold Run reservoir has been greatly accelerated with the advent of warmer weather and the engineers' plans for completion by Sept. 1 appear likely to be fulfilled.

Upper left is a view of the reservoir area partly under water. Upper right are the canal and roadway leading to the low-lift pump station off the Depot Rd.

Shown below, left, is the substructure of the filtration plant and, right, a section of the Teegarden Rd. which will be submerged and abandoned when the reservoir is completed.

660-Million Gallon Capacity

\$1,500,000 Project May Be Completed By End of August

By RALPH FRATILA
(First In Series of 4 Articles)

Unless unforeseen circumstances disrupt the engineers' timetable, Salem's new East Cold Run reservoir should be completed and operational by the end of August.

The \$1,550,000 reservoir, designed to contain 660,000,000 gallons of water, marks the greatest outlay of money ever earmarked by the city for a single project. Upon completion, the water works will be the result of more than four years of negotiations and legal preparation. It will represent more than two years of actual construction.

It will also represent a solution to Salem's most vexing problem.

Salem Man Displays City Hall Painting

The old city hall is on its way to oblivion but the building has been caught on canvas by John Swennington of 673 S. Union Ave. The picture is now on display in the window of the McCulloch store.

Painting pictures is a hobby with Mr. Swennington who has entered his pictures in various exhibits through the years and others have been on display in the library. A picture of Jesus that he painted 20 years ago hangs on the wall of the Cleveland City Mission. Book marks depicting this same painting were given out by the mission for some time.

A short skit by W. H. Matthews accompanying the picture tells this story:

Constructed a century ago, this building was a community center and the second floor was used for the earnest discussion of slavery and women's rights. Many noted persons addressed audiences in this upper room and here were held final services for Edwin Coppock, Quaker martyr, hanged for participation in the John Brown raid in 1859.

Fire Destroys Barn Near Columbiana

A large bank barn and all its contents on the farm of Willis Rupert and sons, Raymond and Donald, three-miles east of Columbiana on the New Waterford Rd. were destroyed by fire of undetermined origin Monday night.

The owners were unable to estimate the loss today, but it is partly covered by insurance.

Contents of the barn lost in the blaze included 1,800 bales of hay harvested last week; 1,500 bales of straw; corn picker; tractor; wagon, bale elevator and ground work tools. Nothing was saved. There was no livestock in the barn, which was about 60 years old but in good repair.

The fire was first seen by a Route 7 construction crew who keeps tools nearby and were back at the scene of their work because of a rainstorm that had just passed.

The fire appeared to have started on the barn floor and could not have been caused by the electrical storm that bypassed the area.

The Columbiana fire department responded to an alarm at 7:50 but the fire had made such headway that the barn could not be saved. The residence is nearby but the wind carried the flames away from it.

Several small buildings near the barn were saved. Fairfield Township has a fire protection contract with Columbiana, but the New Waterford fire department was also called.

Water was pumped from a small lake on the premises. Firemen remained on the job until about 10 p.m.

GOP Battle On Delegates Opens

72 Rival Votes At Stake In Convention

By The Associated Press

The first skirmish for keeps in the battle for Republican presidential nomination — which of 72 rival delegates to seat — gets underway in the convention city of Chicago today.

The protagonists are the backers of the men who have the bulk of pre-convention delegate strength. Ohio Sen. Robert Taft and Gen. Dwight Eisenhower.

The Associated Press tabulation, based on avowed and conceded alignments for the first ballot, shows 475 delegates favor Taft and 409 prefer Eisenhower nomination requires one more than half of the total — 604.

Votes Loom Large
Thus, 72 convention votes loom large in such a close battle.

The GOP National Committee, after huddling with Taft and Eisenhower people on procedure Monday, opens the contest hearings today. The decision, whichever way it goes, undoubtedly will be appealed through channels—the convention Credentials Committee, then the convention itself.

The pre-hearing conference came up with an agreement to allot an hour and a half to each side in the Louisiana and Texas wrangles. The other contests will follow.

CIO Negotiates With Boiler Explosion At Poultry Plant

PITTSBURGH (AP)—The CIO United Steelworkers plugged away today at the steel industry's small companies while top producers continued to ignore the union's demands for settlement of the 30-day steel strike.

So far the union has come to

terms with 31 steel-producing firms allowing more than 50,000 to resume work. The bulk of the union membership—about 6,000—is still waiting for a new contract.

Latest to sign is Harrisburg (Pa.) Steel Corp., which employs 1,250 workers. The plant will resume production immediately.

The firm signed a pact last night calling for a wage increase of approximately 15 cents an hour, modified union shop, six paid holidays and three weeks vacation annually for 15 years service.

Must Join Union

The modified union shop means new employees must join the union but can withdraw between their 20th and 30th day of employment.

Meanwhile, leaders of the union are meeting with other small companies across the nation but the sessions are closely guarded secrets—none of the companies have been identified.

One big reason for the secrecy is that the steelworker's chief, Philip Murray, fears the big producers will bring pressure to bear on the smaller firms and block possible agreements.

The big companies, such as U.S. Steel Corp., the nation's top producer, are bitterly opposed to the union shop issue. It was one of the recommendations the Wage Stabilization Board made when it attempted to avert the costly strike.

Wrote To Employers

Only yesterday U.S. Steel sent letters to all of its employees saying it is not trying to wreck their union but is fighting the union shop issue because "voluntarism, freedom of choice . . . is the backbone of our society."

The 31 companies which have signed contracts are only a drop in the bucket. The Big Six of the industry, U. S. Steel, Bethlehem Steel, Republic Steel, Jones and Laughlin Steel, Youngstown Sheet and Tube and Inland Steel, turn out approximately 75 per cent of the total normal production.

The paralyzing strike which began June 2 is biting ever deeper into the nation's economy in general and the national defense program in particular.

250,000 Idle

Idleness in industries dependent on steel for raw material has already passed the 250,000 mark and is mounting rapidly. Many of the steelworkers are seeking financial assistance from welfare agencies.

General Motors Corp.'s Fisher Body Division, located near Hamilton, O., furloughed 1,575 workers yesterday.

At Newark, N.J., General Electric Corp. said its Air Conditioning Division in Bloomfield will not resume full production after the annual two-week vacation period ends July 18. The plant employs about 1,000.

The same firm said 3,500 of its 215,000 employees in New York have been laid off in the past two weeks "primarily because of the steel situation."

At Louisville, Ky., International Harvester Co. will lay off 5,000 the day after tomorrow. Ford Motor Co. informed 900 workers at its Louisville plant they will be out of work until the steel strike is over.

30 County Draftees Receive Physicals

Thirty Columbiana County men left this morning from Lisbon for pre-induction examinations at Cleveland, Draft Board 16 announced.

The board said 19 men will be inducted into the armed forces Thursday, completing the July quota for this county.

The draft board also announced that anyone within the draft age leaving the United States on a business or pleasure trip must first obtain a permit from the Lisbon office. The board must know where the person is going, how long he will be going and the nature of his visit.

Requests for permits may be made by letter to the local board's office on E. Lincoln Way.

Looses Ammonia

Mrs. Phyllis Howell Killed; City Hospital Crowded With Injured

A boiler explosion at the plant of the Northeastern Ohio Poultry Association at the western edge of Columbiana Village killed at least one woman and injured 17 other employees at 9:30 this morning.

The victims, most of them suffering from inhalation of ammonia fumes, were rushed to Salem City Hospital for emergency treatment. Two of those admitted are described as being in serious condition.

The ammonia fumes were released when the boiler blast broke the compressor of the refrigeration system, according to C. T. Newsom, manager of the food processing plant which specializes in eggs and poultry.

Identified as killed in the blast was:

Mrs. Phyllis Howell, 20, wife of Jesse Howell, 340 Lisbon St., Columbiana.

Killed Instantly

She was sitting near the boiler room where the explosion occurred and was killed outright, it was learned.

She was among the group of mostly women employees who were taking a rest period in the lounge which adjoins the boiler room. Had the blast happened at a different hour, the rest room probably would have been empty.

Three ambulances were called and rushed the victims to Salem City Hospital where a staff of doctors was on hand to administer emergency treatment.

Two persons reported in critical condition are:

Anna Mankin, 19, of East Palestine, an employee, and Thomas Renfrow, a truck driver, whose address was not known.

Others In Hospital

Others admitted to City Hospital for treatment of various injuries were listed at the hospital as:

Ida Knopp, 31, of Salem.

Evelyn Jones, of Leetonia.

Doris Jones, 35, of Lisbon.

Vera Oliver, 40, of Leetonia, and her daughter, Lenora Oliver, 17.

Ruth Paden, of North Lima.

Doris Arkwright, 16, of North Lima.

Ida Seneca of North Lima.

Alice Parker, 54, of North Lima.

Martha Vollnogle, 45, of Columbiana.

Ruth Hoom, of East Palestine.

Wanda Salter of East Palestine.

Jerry Sherrill, 16, of East Palestine.

Wendall Clark of Columbiana.

Dorothy Shafnacker, 34, of East Palestine.

Women in an adjoining plant said they heard no loud blast, only a low rumbling, but felt a strong concussion and knew there had been an explosion.

Several hundred dressed chickens were lying on tables in the poultry dressing room when the blast occurred and probably will have to be destroyed.

Damage to the building as a whole was not extensive. The blast blew out the sides of the boiler room and damaged the walls of the rest room adjoining it.

Firemen chopped out windows around the building to let air circulate through, driving out fumes.

Don Oxygen Masks

Two workmen, wearing oxygen masks furnished by the Boardman Fire Department which rushed a station wagon to the scene, searched the building for anyone who

GOP Platform Drafters Meet

Group Called In For Tips On Vote-Getting

CHICAGO (U)—Republicans who will draft their party's 1952 platform today called in the people with axes to grind for tips on how to win votes in the November presidential election.

The Resolutions Committee arranged to meet and organize at a full-scale morning meeting and then break up into 11 subgroups in the afternoon. These smaller group will hear leaders of business, labor, agriculture, experts on foreign affairs and representatives of other organizations say what line the Republicans should take in an effort to wrest the presidency from the Democrats.

Party officials said plain citizens, if any choose to appear, will be welcomed to give their views, too.

The subcommittees would deal with such issues as foreign policy, labor-management relations, agricultural aid, civil rights, taxation and government spending, national defense, communism, corruption, veterans affairs, economic problems, including federal controls, Western state developments, and governmental affairs such as civil service and reorganizations.

The foreign policy hearing shaped up as the liveliest of any of the subcommittee sessions and, in fact, was set for one of the largest ballrooms in the Conrad-Hilton Hotel, official convention headquarters.

Gen. Dwight D. Eisenhower and Sen. Robert A. Taft, the two top contenders for their party's presidential nomination, have differed sharply on some phases of foreign policy.

The Resolutions Committee's chairman, Sen. Eugene D. Millikin of Colorado, sought to minimize the possibility of a convention fight over the foreign policy plank.

Himself a Taft supporter, Millikin told newsmen, "We should have little trouble getting together on this and other issues because our differences are, in reality, very small."

Eisenhower leaders, on the other hand, contend there is a wide gap between their candidate and the Ohio senator. Eisenhower has described Taft as an isolationist and has said that the only reason he entered the nomination contest was to try to get the GOP to take a firm stand for broad international co-operation to combat Russian communism.

The taking of testimony, in congressional committee fashion, is expected to wind up Wednesday evening. The full committee then will go into huddle behind closed doors to write the full platform.

Health To You

By EDWIN P. JORDAN, M. D.

Record History Of Headaches

Janet, a high school student, often gets a terrible headache just before examinations, and when she is afraid of failing, she may not even be able to take the test at all.

Robert C., a successful business executive, is likely to get a headache whenever he has some particularly delicate and difficult business conference ahead. Mrs. R. gets headaches after she eats shrimps.

A successful lawyer, who is working almost constantly with important matters, under great strain, gets severe headaches on one side every two or three months without apparent cause.

These are a few of the various kinds of headaches from which so many people suffer. Many of them seem to be quite definitely the result of mental strain or emotional disturbance. Sometimes, indeed, they serve as an unconscious way of avoiding dreaded or unpleasant tasks.

Sometimes they are the reaction to certain foods—as in the case of Mrs. R.—probably a kind of allergy—or they may be related to sinus difficulty or some other physical complaint. For all these reasons the successful treatment of those who suffer from recurring headaches is not easy.

One common type of headache which has not been recognized for many years appears to arise from a relaxation of the blood vessels in or near the brain. In this type of headache the treatment consists of giving some fluid which causes the blood vessels to contract.

Indeed, there have been reports

of rapid relief from this kind of headache merely by injecting adrenalin into one of the veins. Also, favorable reports have been made on the injection into the veins of a substance called sodium nicotinate (not related to the nicotine in tobacco).

One of the most important kinds of headache is known as migraine. As a rule this type of headache is located on one side only. Before it starts the sufferer often has peculiar sensations. In migraine, drugs given just before an attack may stop the condition from full development.

In all cases of severe or repeated headaches, a complete history of the attacks should be taken. The victim of such a condition should remember exactly where the headache is located and how it comes on. For example, if headaches often start after a severe nervous strain, this factor may be an important clue.

Now exceeds premium standard...
HIGH-TEST...at regular price!

X-tane gasoline has just been made better than ever.

An increase in the output of high-octane components has enabled Sohio to boost quality to a point where X-tane now exceeds the standard for premium gasoline!

Yet X-tane continues at the price of regular gas.

Road and laboratory tests show that literally hundreds of thousands more Ohio car owners can gain by using this new, high-test gasoline.

If you are using a regular-priced gasoline now, expect to feel a difference.

If you are using a premium-priced gasoline, expect new, high-test X-tane to deliver the same high performance at regular gas price. Now only a few supersensitive car engines need a higher octane fuel than new, high-test X-tane! For them, Sohio recommends Sohio Supreme, the highest-rated gasoline sold in Ohio.

Sewer Project
Near CompletionExtension Expected
Finished Wednesday

COLUMBIANA—Water Works Superintendent Homer Harrold and his force expect to finish by Wednesday laying the sanitary sewer extension from Pavilion 4 to a point east of the football stadium in Firestone Park, a distance of more than 850 feet. A path had to be blasted through a rock formation about 100 feet from the end of the extension.

The eight-inch line in laid at a depth of nine feet and follows the middle of the track about 60 feet along the south side of the athletic field in front of the stands. Central rest rooms and showers for the football and baseball players are planned, but the park board may not complete the project this year.

REV. W. S. LONGSWORTH was re-appointed to the Columbiana church for his fifth year by the Northeast Ohio Methodist annual conference at Lakeside, which ended Saturday.

Valley Golf Club at the western edge of town is making a parking lot, 20 x 30 feet, just east of the club house. Ground for the necessary fill is being excavated on the premises, and the excavation will be made into a small lake.

COLUMBIANA CHAPTER, O. E. S., will have a picnic in Pavilion 4, Firestone Park at 6 p.m. next Tuesday, July 8, for members and Masons and their families and friends. Rolls, coffee and a cold beverage will be provided by the committee, consisting of the officers of the chapter. A program of entertainment for children and adults is planned.

The Hobby Club will have a picnic at 1 p.m. Wednesday at the home of Mrs. Thomas D. Watt, N. Main St. Ext. A hike will follow.

Jerusalem Lutheran church Daughters of the King will meet at the home of Miss Ethel Esterly, 234 N. Elm St., at 8 p.m. today. Entertainment will include a violin solo by Harry Heltsel and original poems by Ruth Henry.

BECAUSE of the holiday this week, Columbiana stores will remain open Wednesday afternoon and will be open Thursday from 9:00 a.m. until 9:30 p.m.

Columbiana banks and the Loan Company will close as usual Wednesday afternoon and will close Friday for the holiday, but will be open Saturday as usual.

COLUMBIANA HIGH School Band will rehearse this evening in the music room of the High School building.

SEOUL, Korea (AP)—A beefed up North Korean battalion attacking through deep mud hit Allied lines along a half-mile front in the Heart-break Ridge sector of Eastern Korea Monday night. But it did not penetrate U. N. positions.

An Army spokesman said "They came up in front of our positions and fired at us . . . but they did not try to penetrate our lines." The Eastern Front has been relatively quiet in recent weeks in contrast to savage fighting in the West.

More than 750 North Korean Reds attacked on the east slope of Heartbreak Ridge and at three other points in the same sector after 1,300 artillery and mortar shells fell on U. N. lines.

what is a drug store?

THE DRUG STORE is but one unit in a complex pattern of businesses and professions, all of which serve the needs of the community. But it is unique in that pharmacy is both a business and a profession.

A business built on service to the sick cannot be restricted to usual "business hours." The need for medicine and sickroom supplies is usually immediate and urgent. In times of widespread illness, the twenty-four-hour day seems all too short. We are ready, day or night, to serve the pharmaceutical needs of the community.

REUBEN BLOSSER (above) of Leetonia points to one of the 175 hooked rugs he has made in 23 years of needlework.

Artist With A Needle

Nimble-Fingered Leetonia Man
Makes 175 Rugs In 23 Years

By PEARL WALKER

A triumph in woman's ingenuity, hooked rugs are usually made by women. But here's a man who is fascinated with the craft. Reuben Blosser of 749 Columbia St., Leetonia, has made 175 hooked rugs in 23 years. Varying in size, the largest one measures 10½ by 14½ feet.

Hooked rugs, which are made of odds and ends of materials (preferable wool), provide warm and luxurious floor covering. Although there is a wide diversity in design, most of Mr. Blosser's rugs are in a floral pattern. An artist in blending colors, his rugs are pictures just as truly as if they were painted with a brush. He explains that he has had no lessons in art, but that it is a God-given gift.

AT PRESENT HE IS working on a "bridal rug" for a niece, a prospective bride. This unusual pattern pictures a wedding bell, double rings, daisies and roses, doves on each corner, names of the bride and groom, the date of their marriage and the word "wedded." A black outline is used around the outer edge.

While most of Mr. Blosser's rugs are sold in Youngstown, some of them have been retailed in Colorado, Indiana, Illinois and Pennsylvania. Others were sent to Columbus, Cleveland and Canton. Many men are adverse to a needle, even to the point of sewing a button on their clothes. But Mr. Blosser has embroidered beautiful table coverings, pillowcases, dresser scarfs, etc. He has also made two velvet and one silk quilts.

A SON OF THE LATE Mr. and Mrs. Joel Blosser, he is a native of Mahoning County and spent his early life on a farm northeast of Washingtonville. The oldest of a family of nine children (seven boys and two girls) he has 49 nephews and nieces and 65 great-nephews and nieces.

While he gives no inkling of his political views, Mr. Blosser has one thing in common with President Harry Truman. They were both born May 8, 1884. The veteran rugmaker is a member of

the Midway Mennonite Church, Columbiana-Canfield Rd.

An ancient craft, just when and where rug hooking originated is not definitely known. However, some authorities believe that it originated with the Scandinavian Vikings. It was one of the active crafts of pioneers all along the Atlantic coast.

HOOKEING IS ESSENTIAL to the beauty of the rug, which is made by drawing narrow strips of cloth or strands of yarn with a hook through the meshes of a piece of burlap stretched upon a frame. Varicolored, the strips are hooked in to follow a design drawn or stamped upon the burlap ground. A hook rug frame resembles those used for stretching and drying curtains. The burlap is fastened into the frame by lacing it with shoe thread to the strip of denim tacked to the outer edge of the frame.

\$1,336,000 Per Year
For Queen's Pay Urged

LONDON (AP)—Parliament was urged today to give Queen Elizabeth II a yearly salary of 475,000 \$182,000 compared with the wages of her late father.

A select committee representing all major parties in Parliament also proposed the Queen's 31-year-old husband, the Duke of Edinburgh, be paid 40,000 pounds or \$12,000 for life. He now receives pounds or \$1,336,000—A raise of an annual allowance of 10,000 pounds.

The Duke, who is recovering

from an attack of jaundice, got another piece of good news today, this one from the Royal Navy. It announced his promotion from lieutenant commander to commander.

State Patrol Adds
Jeep For Heavy Use

The jeep-motorized workhorse developed during World War II—has become standard equipment at the State Highway Patrol barracks on the Lisbon Rd., Cpl. Edward Mallory announced today.

The Ohio patrol has had several in use for the past two years and regards them highly.

Less expense and less dangerous than the motorcycle, which is on its way out, the jeep will not replace the patrol's cruisers but is destined for heavy use. It will haul truck weight scales and be utilized in traffic-jam work where patrolmen have to drive on berms to congestion centers and in covering assignment—such as plane crashes—off the highway.

The Salem barracks' jeep is also used by the Warren and Kent barracks.

Bombs Away

The script calls for roars of disapproval whenever British, or anyone else, frown on America. And all of us can be expected to stick with the script.

But while going through the familiar routine in the issue which has arisen over the Yula River bombing raid, it would do no harm to realize why there is an issue. Specifically, it would do no harm to realize why Secretary of State Acheson felt called on to explain to members of the British House of Commons what happened. He knew there had been a slight to other governments represented in the U.N. by not consulting them.

The power to destroy with bombs is not absolute. It is relative. This is particularly true when the things to be destroyed are endowed with more than ordinary material value. The Yula River dams and generating plants apparently were in that category. They had symbolic value.

They represented more to Asiatics than capital investments. They represented some part of the surge which is sweeping hundreds of millions of Asiatics out of colonialism into nationalism, out of the reach of western powers.

Their destruction thus becomes more than a routine military operation and become part of a complex pattern in which the Occidentals may make themselves so hated in Asia that it will be closed to everybody but Orientals. These would include Russians, who can be either Occidentals or Orientals, depending on which way they are facing.

The British used high explosives in Asia a long time ago. Maybe they think they learned something—improbable as that may seem.

The Neighbors' Children

A presidential order to provide "a more orderly basis for granting temporary deferments" to farm workers and apprentices in essential industries shows that Washington is aware of the problem.

But farmers looking for help and many manufacturers looking for youngsters who can learn the tricks of the trade will not hope for much. It is still an odds-on bet that draft policy never will be adjusted to the realities of civilian needs. The old idea that the military needs unlimited manpower and no one else needs anything dies hard.

There is no substitute on a farm in harvest for a farm-raised helper. He can do more in one day than a city-raised helper can do in seven. Yet thousands of farm boys have been drafted this summer just in time to do the maximum damage.

It is as if no one cared what happens to the neighbors or the neighbors' children as long as it does not happen to them. The draft should be equitable and it should be administered with an official eye to its effect on the draftee, his family and his associates. No one should be wholly exempt from military service, but there are just as important things in an industrial civilization as carrying a gun.

Reprieve For OPS

Apologies of that suspended congressional death warrant for the Office of Price Stabilization, which hasn't any reason to live anyway, this might ease the blow:

Keep everybody on the OPS payroll until the first payday after the election next Nov. 4. But don't give OPS anything more to do. Make it quit shuffling papers.

Starting immediately, give everybody else the privilege of not shuffling any more papers, either. The country would be so relieved it wouldn't mind squandering millions for salaries for people who weren't doing anything. It would be worth that much to get them out of the way.

Meanwhile, they could work on politics, which would not be out of line because OPS never has been anything but politics. When Congress wanted to start price control, Mr. Truman played politics until he could be sure inflation was off to a flying start. Congress now wants to stop price control because it has become unnecessary, but that will have to go through the political wringer, too.

Eventually, everything about price control but the name and payroll will be shelved and they will be retained until sometime after Nov. 4.

MacArthur

By DAVID LAWRENCE

He May Be Running Mate To Sen. Taft

The Taft high command is seriously considering the selection of Gen. Douglas MacArthur to be the nominee for vice president on the Republican ticket.

To announce or admit this at the present time is probably unwise from a Taft strategy viewpoint because the vice-presidential nomination is something to dangle before various key delegations which may have a candidate of their own. But news does leak out when lots of persons are involved in co-called secrets.

Ever since the popular and able Senator Knowland of California who recently won nomination in both Republican and Democratic primaries, turned thumbs down a few days ago on the idea of being vice-presidential nominee on the Taft ticket or any other for that matter, the Taft board of strategy has been coming up with some interesting arguments in favor of choosing MacArthur. One reliable report is that former President Hoover likes the idea and has cleared it with the general.

THE MOST PERSUASIVE point being offered is that MacArthur is a vote-getter and will be a terrific campaigner. This is possibly a concession to the contention often made by Eisenhower supporters that Taft himself does not have sufficient appeal on the stump to win a presidential election.

There is no doubt that MacArthur has behind him an almost fanatical following and that his dramatic speeches have won him millions of supporters. There is no doubt also that MacArthur makes good campaign speeches which carry a powerful wallop politically. He is closer to the type of old-fashioned orator who used to sway millions of votes than any other man in public life today.

But while there are assets on the side of a Taft-MacArthur ticket by reason of putting the general on for the vice presidency, there are also liabilities. It eliminates, for instance, the widely circulated objection to Gen. Eisenhower on which some Taft supporters have grown vehement—namely, that no military man should be president.

Obviously since seven vice presidents in history have become president it would appear that to name a military man for vice president isn't much different from naming him for president.

The best answer to the question of whether a military man should

be president was given by former governor Harold Stassen of Minnesota when he asked in turn: "Which military man?"

BUT, ASSUMING THAT a military man is as eligible politically as any civilian, the Taft manager may be bothered by the fact that while Gen. MacArthur has certain advantages politically he also has some disadvantages.

Rightly or wrongly—and, in this correspondent's opinion, wrongly,—there are millions of persons who believe that the general was motivated by a desire to extend the Korean war irrespective of whether it brought on a large-scale war. The Democrats have consistently made this argument and if MacArthur is the vice-presidential nominee they will not hesitate to make it repeatedly.

Everyone who has had any experience with political campaigns knows that the "peace" issue is stronger than any war issue. A considerable source of Taft Strength is in sections of the Middle West where quasi-isolationist sentiment is believed to be strong.

While Gen. MacArthur is strong in that region too, it always has seemed contradictory that the very folks who argue against committing more American troops to Europe appear willing to take the calculated risks of committing more American troops to the Far East.

Gen. MacArthur is a colorful figure, but his experience in politics is limited. His greatest test will come in the keynote speech at the convention. Will he use that big television opportunity with millions watching and listening as an occasion, even by a few implicit phrases here and there, to seek to injure the candidacy of Gen. Eisenhower?

Those who have faith in his sincerity of purpose and high motives do not think he would do anything so petty and violate traditions of impartiality, which say a keynote speech must not be for or against any candidate. Or will he use the occasion to make a "sale" for the Republican Party—to "sell" the major principles on which the Republican Party this autumn must stand as it offers an alternative to the existing administration?

If he does, then the selection of Gen. MacArthur as a keynoter will have been a ten-strike for party strategy rather than just an anti-Eisenhower maneuver by the Taft forces.

'Fire' In Chicago

By JAMES MARLOW

WASHINGTON (U) — That big blaze in Chicago, a fire in the Republican party, will stay hot all week even though sometimes obscured by fog from the politicians.

The struggle there between Taft and Eisenhower forces to seat contested delegates at the convention which opens Monday may wreck the party's election chances if the politicians make a spectacle of themselves.

The outcome of the struggle this week may mean the party nomination or loss of it for Gen. Eisenhower or Sen. Taft at the convention next week.

Before the fog sets in—claims, counterclaims, accusations—this is a brief summary of what makes the Chicago fire blaze:

The delegates finally seated at the convention will vote on the party's candidate for President. But there's a dispute between the Taft and Eisenhower people over 72 delegates of the total of 1,206.

If — except for the 72 in dispute

"Well, What's The News From The Western Front?"

The Investigating Committee

By GEORGE E. SOKOLSKY

When Harry Truman is no longer President of the United States and, in the distant future, historians research his administration, they will wonder at the depth of his dislike for Congress of which he used to be a member. It will also be puzzling to understand his bitter opposition to congressional committees.

The McCarran committee, for instance, has comported itself beyond criticism. It has prepared its case with meticulous regard to the rights of individuals; it has avoided the charge of pillorying individuals for remote and insignificant errors; it has given the person under investigation every opportunity to state his case.

Yet, this committee, which was not investigating corruption in the Truman administration but subversion in the United States, encountered as much opposition as the old Dies committee did at the hands of Mrs. Eleanor Roosevelt. What can the reason be, except that the President objects to anyone interfering with what he regards as his private affair, namely, the government of the United States?

THE WASHINGTON correspondent of the London "Economist" provides a curious overtone to this inquiry into the President's mind, for he, too, apparently disapproves of Senator McCarran and so tells his British audience. This is what he says:

"The Democratic senator from Nevada, who is using his senate Judiciary sub-committee on internal security to uncover what he terms 'this gigantic conspiracy,' is practicing a technique perfected by his somewhat more notorious Republican colleague from Wisconsin, Senator Joseph McCarthy."

It is a technique which shocks

many decent-minded Americans because it seeks to dress the committee hearings in something like the robes—or at least the language—of a court of law and yet makes nonsense of the accepted practices of legal procedure. It is already abundantly clear that Senator McCarran and his committee intend, if they can, to bring about the jailing, on perjury charges, of Professor Owen Lattimore of Johns-Hopkins University, and Mr. Joseph Barnes, well-known as a newspaperman.

"Both Professor Lattimore and Mr. Barnes were closely associated for a number of years before the war with the Institute of Pacific Relations, a body dedicated to the non-partisan study of the Far East...."

TRUE, THIS was written last summer before the seven volumes of the record of the investigation into the Institute of Pacific Relations were published. This was written before the State Department refused to give Professor Lattimore a passport to travel abroad.

The intensity of the attack on the committee by this magazine is particularly interesting because it has generally reflected the views of the State Department except in instances when the British differ with Dean Acheson—which is not often.

It is impossible to believe that any man who is President of the United States would be sympathetic with a conspiracy to defeat the United States in Asia. Nothing has given the President more unpleasant days than his failure in China. Yet, he has not cooperated

with any congressional committee in trying to discover the cause of the disaster there and in Korea. In fact, he has gone to the opposite extreme. Like the Washington correspondent of the London "Economist," the President has turned his back on everyone who sought to do anything constructive in the Far East.

He had General Albert C. Wedemeyer taken out of the field in which he was an expert. Wedemeyer was so abused that he retired from his career in the Army. Truman dismissed General Douglas MacArthur, who had worked in the Far East longer than any other Army officer and whose testimony before the Russell committee has been borne out by subsequent events. The President has nicknamed friends of China the "China lobby," and has persecuted individuals whom he designates as such, calling them liars.

IT IS A puzzling attitude, particularly as he must know from FBI reports, if from no other source, that the Soviet conspiracy is extraordinarily active in this country now as it has been throughout his administration. The atom bomb and other military secrets were stolen, and since he has been president, Alger Hiss, his red-herring, has been convicted after two public trials and the verdict has been upheld by the Supreme Court.

It is an astonishing psychology—that of the President. He must dislike those who do disservice to America; yet he will not co-operate with the very congressional committees that can establish the facts.

It's The Humility

By TRUMAN TWILL

It's not the heat. It's the humility. No sooner does it get warm, which is to be expected in the summertime, than the silly quibble about men's clothing starts all over again—and that's humiliating.

Let us stare down the throat of truth.

Not all men wear too much clothing when the weather turns warm. Some wear too little. Some muscular specimens sit on the front steps stripped to the waist and puffs on cigars, cool as anything. Some cut it fancy and leave on their undershirts as a sop to propriety. They are as unhabited as babies.

Passersby no longer call the cops when the yspot a grown man lolling in a chair, or perhaps wandering about, with nothing on but a pair of shorts. They assume the fellow lives there, that it is his castle, and that the babe attired in two large handkerchiefs, top and bottom, is his queen. They are right.

And so it goes, on up the line of propriety until you reach the sweltering male attired in the works—coat, trousers, shirt, necktie and fittings to match. This is the fellow who is supposed to keep cool and collected when some woman dressed in less than her grand-brother would have started with before she began to get dressed wonders why men insist on torturing themselves in hot weather.

It's this way, lady. You shouldn't ask questions. You should tape your mouth and let the sleeping dogs sleep; they have their reasons. Look about you and the reasons will be obvious.

Women jump eagerly at a chance to snuck their hucks in summertime—and why not? Rule 1 is to hide no shining lights under bush-

els. Women are suitable for seeing, to state the matter bluntly. The few who aren't figure they can mingle with the many who are and will be less conspicuous that way than if they were buttoned up to the chin, hooked up the back, and draped to the floor.

But men who shy away from husk-shucking also brood about the whiffiness of whatness and come up with answers. And those who do not consider themselves overwhelming in the magnitude of their muscles—the stock in trade of the male—do not welcome suggestions for disclosing their deficiencies.

Look twice at the next 100 men you see dressed to kill from heat exhaustion. Nine of them will share secrets with their tailors or the little men who make alterations on their pre-fabs.

They will not aerate themselves for public view short of a national emergency. They would rather stew in their superfluity of insulation than shrink in the astonished view of those who never dreamed those shoulders are made of curled horse hair and that drape shape belongs to an animated scarecrow.

Spare them the humility of challenge. The heat they can stand. The humility burns us up.

Doesn't it, Burns?

Slogans Put Up To Take Out

As soon as the party conventions are over there will be a rush call for suitable slogans, which the Elmer Twitchell Ready-To-Wear Slogan Outfitting Corporation is prepared to meet. A chicken in every pot is too much to promise in these days of high food prices, but Elmer thinks something like "A chicken liver in every sandwich," would have appeal, and instead of a two-car garage he thinks there would be plenty of appeal in a promise of two hot-rods in every breezeway.

Mr. Twitchell suggests for the Democratic candidate:

- 1.—There is nothing to fear but the fear of people who tell you there is nothing to fear.
- 2.—Vote the Democratic ticket and all the money you can print.
- 3.—Our platform: Let the government do your worrying.
- 4.—We favor Christmas four times a year and three Saturdays every week.
- 5.—Keep America free, happy and double-parked.
- 6.—Vote for the Democratic candidate and no down-payment.

For the Republicans, Elmer suggests:

- 1.—Fro 20 years the Democrats have given you headaches; let us give you four years of asprin.
- 2.—When the Republicans were in office you at least got potatoes.
- 3.—Vote for the Republican candidate and old-fashioned arithmetic.
- 4.—Support a candidate who will see that you get change from a ten-dollar bill.
- 5.—Our platform: A tenderloin in every home and two restoratives with every grocery bill.

Mr. Twitchell also comes up with some assorted slogans now and during the convention for the various candidates.

"Down the Pike With Smiling Ike!" . . . "Make it a surpris'n hour with Eisenhower!" . . . "All aboard the craft with Robert Taft!" . . . "Ave and his dough can pay as YOU go!" . . . "Spread the rug for gallant Doug!" . . . "Let's go farther with MacArthur!" . . . "You won't need a spur to get speed out of Kerr." . . . "There'll be no grievin', son, with Adlai Stevenson." . . . "A vote for Kefauver is a vote for Kefauver, no matter who gets it." . . . "Vote for Taft and get a president whom even video couldn't stop!" . . . "Cast your ballot for Eisenhower and a beach landing in Pennsylvania Avenue!" . . . "Vote for Harriman and the substitution of Sun Valley for Key West!" . . . "Get behind Stevenson now; find out if he is the one who wrote Treasure Island later!"

"Plug the dyke with Ike!" . . . "Some enchanted evenin', son, with Stevenson!" . . . "You'll do bestest with Estes." . . . "Go right with Dwight!" . . . "Vote for Kefauver and the Tennessee Waltz." . . . "Make the White House the Dwight House!" . . . Vote for Harriman with a mint in every jackpot and two Fort Knoxes in every garage!" . . . "Fight graft with Taft!"

For the candidate with a record for the fewest promises he suggests, "He kept us out of BLAH!" If you want to adapt something from the old days, there is "Speak softly but carry a big mike!"

Off to many summer camps
The kiddies scamper gladly
To get the grand vacations that
Their parents need so badly.

HOW WOULD that woman baseball player have interpreted an order for a "squeeze?" . . . There are so many water resort plays in New York today that if you see an actor or actress who is dry you know it's a case of unemployment . . .

A million cheers for the great show put on by Bob Hope and Bing Crosby for the Olympic games' fund in which more than a million dollars was pledged by wire and phone. . . . But since the glorification of true sportsmanship is the very essence of the Olympics, why shouldn't this be one cast where the heel who pledges a contribution for personal publicity, and doesn't make good, is shown up? . . . Why shouldn't the names of every man reneging on a pledge and using this sportsmanlike Telethon for personal publicity be radioed and telecast just as their pledges were?

Clara Lipman Mann died the other day and few people recalled her. . . . But we remember the name as one of the first we ever heard from the lips of our father and mother in discussing the theater. . . . As a kid, we saw them make a very special event of any night when a show was billed "With Clara Lipman." . . . Dick Rodgers on that video show in his honor was as modest and appealing as was his partner, Hemmerstein, on a previous testimonial. . . . A couple of real guys, without an ounce of ham in them.

Miss Mary DeRienzo Married Monday To Richard L. Eakin

Miss Mary DeRienzo chose the last day of June, the traditional month of brides, for her wedding to Richard Lewis Eakin. Rev. Fr. J. Richard Gaffney performed the double-ring ceremony when the nuptials were solemnized at 10:30 a.m. Monday in St. Paul Catholic Church.

The communion rail, banked

with palms and flowers, made the background setting for the wedding party. Mr. and Mrs. Michael DeRienzo of 794 S. Union Ave. are the parents of the bride. Mr. Eakin is the son of Mrs. Ada Eakin of 1773 E. State St.

Attending the couple were Mr. and Mrs. Harold Parker. Two brothers of the bride, William and Albert DeRienzo, were ushers.

The simplicity of the bride's white ballerina gown was glamorized by a nylon tulle yoke under a Peter Pan collar and lace applique outlined the nylon tulle skirt which was fashioned over taffeta. Her fingertip veil was held in place by a little bonnet of matching lace and tulle adorned with seed pearls. Her cascade bouquet contained gardenias.

Mrs. Parker was her sister's matron of honor. Her aqua-colored gown was styled ballerina length with a brief all-lace jacket over nylon tulle. The mandarin collar lent emphasis to the short sleeves and matching gauntlets added to the effect.

Miss Sarah Colman played the traditional wedding marches as Mr. DeRienzo came to the altar with his daughter.

For her daughter's wedding Mrs. DeRienzo wore navy chiffon and Mrs. Eakin chose a dress of black and white silk. Both had corsages of red roses.

Following the wedding the bride, groom and their attendants and families met at the DeRienzo home on S. Union. In the afternoon the immediate families dined at Horvath's tea room. At 7:30 p.m. the newlyweds greeted more than 250 friends and relatives at a reception in the Eagles club room.

Guests were present from Salem, Youngstown, Cleveland, Washington, D.C., Miami, Fla., East Chicago, Akron, Lisbon, Leetonia, Ambridge and Pittsburgh, Pa. After honeymooning at Westlake, O., the couple left on a trip to Canada. For traveling the bride wore a navy silk dress with white accessories complemented with her gardenia corsage. They will return to make their home with the groom's mother, Mrs. Eakin, on E. State St.

Both Mr. and Mrs. Eakin graduated from Salem High School. Mr. Eakin is employed by the Mullins Manufacturing Corp. During World War II he served with the Navy in the Pacific.

A gift of money and vote of thanks were given Rev. Kenneth McGarrath for his services in the grange's Rural Life Sunday observance.

The Mile Branch juvenile grangers worked on contest safety posters.

Send Money To Fund
Barbara Stanley, who conducted a business session, reported \$35 was sent to the muscular dystrophy fund. Judith and Patricia White were appointed to the sunshine committee.

A swimming party and wiener roast at Woodland Lake are contemplated for August.

Mrs. Frank Harlan, matron, urged the girls to complete their skirts and towels for the sewing contest Aug. 8.

Beverly Barnett and Joyce Denny played a piano duet at the Columbiana County juvenile meeting June 24. Barbara Stanley won the attendance award.

For the program, Beverly Barnett played a piano solo and Joyce Denny told an Independence Day story.

Leila-Helman Weds Otto Sanzenbacher

At a ceremony Friday evening in the chapel of the Canfield Presbyterian Church, Leila Helman became the bride of Otto Sanzenbacher.

Miss Helman is the daughter of Mr. and Mrs. Lee Hood of Canfield. Her husband is the son of Mrs. Otto Sanzenbacher of Salem and the late Mr. Sanzenbacher. Rev. Harold Kayser officiated at the ceremony.

The bride wore a pink silk dress with white accessories and a blue corsage. Mr. and Mrs. Vernon Hood were the attendants. Mrs. Hood wore an aqua silk dress with white accessories and a yellow corsage. Pink and white roses adorned the chapel altar and the buffet table at the bride's home where the reception took place.

After a week's honeymoon in Montreal, Canada, Mr. and Mrs. Sanzenbacher will reside at their home, Hood Dr., Canfield.

6 Girl Scouts Enjoy Canton Camp Session

Living in the rough was enjoyed by six Senior Girl Scouts from Salem this past week when they participated in pioneer camping last week at Camp Sandoneida in Canton. Attending were Rebecca Bonfert, Kay Pasco, Deanna Heston, Marcia Kille, Peggy Martin and Ruth Ann Greenwood, all members of Salem Troop 15.

The first week in August, 13 girls from Troop 15 will attend a similar camping session, and a girl from Troop 3 also will go. These girls who will receive instruction in pioneering camping will set up pioneer camping procedure at Camp Merrydale so that all senior scouts in this area may benefit.

Mrs. Joseph Greenwood, Mrs. Joe Pasco, Mrs. George Brambley and Mrs. Ted Crawford are the leaders for Troop 15. Mrs. Vaughn Nichols is leader of Troop 3. Mrs. Greenwood heads the troop of girls who have already qualified as senior service scouts and who are working to become mariner scouts.

There has never been a mariner troop in Salem girl scouting but some 32 girls are seeking to qualify in the all-water activities. A name for the new group will be selected and the program centered about marine curriculum will be studied.

Miss Marilyn Hart, daughter of Dr. and Mrs. V. C. Hart of the Painter Rd., spent the weekend in Croton where she was bridesmaid at the wedding of Miss Kathleen Curry and Attorney William C. Lodge of Leetonia.

Atmosphere Of Cuba Prevails At Pelaez-Jennings Wedding

The atmosphere of Cuba prevailed when Miss Nidea Pelaez, daughter of Mr. and Mrs. Carl Wiegand, 418 Franklin St., became the bride of Charles H. Jennings, son of Mr. and Mrs. Harry Jennings of the Georgetown Rd. at a beautiful wedding at 11 a.m. Friday in St. Paul Catholic Church. Rev. Fr. Edward Varble, assistant pastor, officiated at the double-ring ceremony.

The bride was escorted to the altar by her stepfather, Carl Wiegand. Miss Sarah Colman played the traditional wedding music.

The lovely summer gown and veil worn by the bride were gifts from her grandmother, Mrs. Dolores Marin, who brought them from Cuba several weeks ago. She also brought white crystal rosary beads for the bride.

The gown had a white chantilly lace top with a skirt of white satin with nylon tulle covering it. It was of waist length and off-the-shoulder style. The lace bolero jacket had short puffed sleeves. She wore lace mitts and her fingertip veil was of coronet style heirloom lace and seeded mother of pearls. She carried a bouquet of white roses centered with an orchid and white streamers.

Have Two Attendants.

The attendants were Mr. and Mrs. Joseph Jennings. Mrs. Jennings, cousin of the bride, arrived from Cuba a month ago. She was the former Olga Rodriguez. Mr. Jennings is the brother of the groom.

Mrs. Joseph Jennings also wore a waist-length gown of ice blue chantilly lace with an accordion pleated skirt of blue satin covered by nylon tulle. She wore a white picture hat and carried pink roses. The outfit was completed with a blue nylon stole.

For the traditional "something old, something new, something borrowed, something blue" theme Nidea borrowed a white lace hanky from her grandmother, Mrs. Marin, who carried it at her own wedding. Her blue lace garter was a gift from her aunt in Cuba, Dr. Lilia Vergel.

The groom remembered his bride with a string of pearls. She gave her husband luggage. They remembered their attendants with a compact and wallet.

Reception Held At Home

Following the ceremony, a reception was held at the home of the bride's parents, where they greeted relatives and friends and received gifts.

The wedding table was decorated with a hand-embroidered linen tablecloth and a four-tiered wedding cake decorated with white swans and large wedding bells and topped with a miniature bride and groom. On each side of the table were yellow and white snapdragons and white candles in crystal holders.

The bride's mother wore a black and white striped nylon dress with white accessories and completed her outfit with an orchid corsage. The groom's mother wore an orchid crepe dress with white accessories and a white orchid corsage.

For her honeymoon to Cleveland and Niagara Falls, the bride wore a yellow gabardine suit, white accessories and the orchid corsage from her bouquet. Upon their return they will reside at 1215 E. Third St.

The newlyweds are both graduates of Salem High School. He is employed by the Deming Co. Guests were from Salem, Alliance, Youngstown and Cuba.

Dorothy Elizabeth Lutsch Wed To Albert H. O'Mealy

For her wedding Saturday evening in the Emmanuel Lutheran Church, Dorothy Elizabeth Lutsch was given in marriage to Albert H. O'Mealy by her brother, John K. Lutsch of Columbus.

The candlelight service was performed at 8:30 p.m. by Rev. John Bauman and many friends and relatives of the couple witnessed the single-ring service. Mrs. Susanna Lutsch is the mother of the bride and Mr. and Mrs. Elmer Braunbeck of Alliance are parents of the groom.

Erwin Bendel of Youngstown was soloist, and Mrs. William Seeman, organist, played the wedding melodies and heralded the coming of the bride party. The lighted tapers in candelabra stood sentinel in the altar setting of palms, greenery and white carnations in twin arrangements.

Brocaded taffeta was used for the attractive bride's gown. Tiny buttons outlined the front closing of the bodice from mandarin collar to the waist. Sleeves were pointed over the wrists.

The bride's fully-fashioned skirt ended in train. The same taffeta material made her headpiece and her veil was fingertip length. Her bouquet of white roses was showered with stephanotis and the pearls she wore were the gift of the groom.

As matron of honor, Mrs. Leonard Hahn wore a green eyelet embroidered organza frock styled with full floor-length skirt. Her Juliet cap was made of green ribbon and organza and she carried yellow roses.

Miss Polly Ann Schmid served her aunt as junior bridesmaid. Her yellow eyelet embroidered organza and Juliet cap was patterned after that of the matron of honor. Blue streamers were attached to her bouquet of yellow carnations.

Best man was John S. Weinman of Akron. George K. Schmid, a brother-in-law, and Robert Jones of Akron were ushers. Paul Schmid, nephew of the bride, was junior usher. Polly Ann and Paul, who made a two-some down the aisle, are the children of Mr. and Mrs. George Schmid.

Aqua with white accessories was worn by the mother of the bride. The groom's mother appeared in aqua with white accessories. Mrs. Lutsch had a corsage of pink roses and Mrs. Braunbeck's flowers were yellow roses.

Eighty relatives and close friends attended the reception at the Lutsch home. The three-layer cake was served to guests from Monaca, Rochester and Beaver, Pa., Youngstown, Columbus, Akron, Alliance, East Palestine and Salem. A circle of white swans supported the layers and a bridal miniature topped the cake.

For their trip south, the new Mrs. O'Mealy wore a frock of pale blue Egyptian cotton embroidered in white. Complementing her outfit was a white picture hat, white accessories and white roses.

The bride graduated from Salem High School and the groom was a graduate of Williamsport, Pa., High School. She has been employed as a receptionist and telephone operator at the Deming Co. Her husband is a welder at Good-year Aircraft Co. in Akron. After their honeymoon they will make their home in Harrisburg, O.

Letter Carriers Re-Elect Officers

Officers were re-elected when the Columbiana County Rural Letter Carriers and members of the Ladies Auxiliary met at the home of Mr. and Mrs. L. E. Beery on N. Ellsworth Saturday evening for a business and social session.

Thirty-one were present, including the president of the 18th District, Russell Waggoner and Mrs. Waggoner of Richmond, and state committeeman, Ross Burnett of Warren.

Interesting talks were given by Mr. Waggoner and Mr. Burnett on membership, pending legislation and organization. Contests entertained, with prizes going to Mrs. L. A. Vinsley of Lisbon and Paul Sutherland of Negley.

Officers re-elected are: A. E. Warrington, president; Ralph Crawford, vice president; and L. E. Beery, secretary and treasurer. The hostess served luncheon, assisted by Mrs. Warrington of Salem, Mrs. C. A. Orin of Minerva and Miss Judy Hiding of Rogers. The next meeting will be a joint picnic with Mahoning County Rural Letter Carriers and auxiliary at Firestone Park in July.

Margaret Ruth Cope, Lee Cope Wed In California Ceremonies

Margaret Ruth Cope and Lee Cope, daughter and son of Mr. and Mrs. Chester A. Cope of Franklin Rd. were the principals in two separate wedding recently in California.

Margaret Ruth Cope became the bride of Lawrence I. Tuttle Jr. in a single-ring service performed Sunday June 15, in Altadena. Rev. Frank Williams, pastor of the Holiston Avenue Methodist Church in Pasadena officiated. Miss Cope and the son of Lawrence I. Tuttle Sr. of Pasadena and Mrs. Verda Green of Palm Springs were married in a simple garden ceremony.

White frosted matelasse organza was used to fashion the bride's gown styled in the ballerina mode. A lowcut V neck outlined the shirred bodice and cap sleeves. A small white hat was studded with rhinestones and trimmed with a half face veil of white. In a beribboned basket she carried pink Cecil Brunner roses, yellow daisies, white gladioli, babies breath and fern. The couple was unattended.

Mrs. Cope wore a flowered rayon print with white accessories for her daughter's wedding. Mrs. Green chose a dress of sheer navy blue with white accessories. Both mothers had corsages of Cecil Brunner roses. The reception on the patio was attended by 50 people from the California area, and also included Mr. and Mrs. Ernest Cope of Columbiana and the bride's cousin, AG 2 Tom Cope of San Diego, and her parents and brother Harold of Salem. Former Salem people at the wedding were Mr. and Mrs. Ivan McAfee and Mr. and Mrs. Joe Capps of North Ridge, Calif. Mrs. Tuttle graduated from Salem High School and she attended John Muir College at Pasadena, where she has made her home for the past four and one half years. The groom graduated from Pasadena City College. She has been employed at the Methodist headquarters in Los Angeles and her husband has been associated with the YMCA in Pasadena.

After honeymooning at Lake Tahoe, Salt Lake City and Yellowstone National Park, the newlyweds are visiting here with Mr. and Mrs. Cope on the Franklin Rd.

Lee Cope was married to Patricia Jane Greer, daughter of Mr. and Mrs. H. W. Greer of Altadena, Calif., in a double ring ceremony Saturday, June 14 in the Holliston Avenue Methodist Church in Pasadena. Rev. Williams also officiated at this wedding. Mr. Greer gave his daughter in marriage at an altar setting of yellow gladioli, daisies, ivy baby's breath and yellow snapdragons, lighted by yellow tapers.

Miss Greer spoke her vows in a gown fashioned of chantilly lace and white satin. Her veil was of illusion net. Lilies of the valley and a white orchid formed her bridal bouquet.

Bridesmaids in pastel frocks of nylon and taffeta were Misses Patricia Hooper, Roberta Durst, Joan Tewksbury, Mary Jo Todd and Sherrie Gilman. Joanne Carol Nix of Alhambra was honor attendant.

Harold Cope was best man for his brother, Tom Cope of San Diego, his cousin, was an usher. The bride's mother appeared in a sheer yellow gown with a white

orchid, while the groom's mother wore dusty rose with a lavender orchid.

Among the 250 guests at the wedding were the Salem and Columbiana people mentioned in the other wedding and Mr. and Mrs. Howard Ashead of Pasadena, and the McAfee's formerly of Salem. Miss Margaret Ruth Cope, a sister of the groom, assisted in serving.

The bride attended Alhambra High School and the groom graduated from John Muir College in Pasadena. The couple will make their home in Altadena upon their return from their honeymoon to Lake Tahoe and San Francisco.

Roving Reports By HAL BOYLE

MILES CITY, Mont. (U)—The old west is still young enough to have its living pioneers.

They are the old timers who came here in their youth, or the children of those who came still earlier, and homesteaded a fenceless frontier.

It was a titanic lonely gamble for most—a lifetime gamble in a vast rolling land, where drought sometimes starved their stock in summer and the bitter cold froze their herds in winter. It was a long battle for enough water and the right kind of weather.

The land broke many of the early comers, but many stayed and broke the land.

Once a year these pioneers gather in reunion here and talk about old times. They call themselves range riders, because that is what they were. And if you refer to them as cowboys, they will dryly point out that a cowboy is a critter that inhabits Hollywood.

They are a wonderful people marked by a great calm and dignity. Their hardwon victory shows in their sun-creaked countenances, and the far reach in their eyes. The earth and sky of endless Montana has been stamped by time in their faces.

Among those at the reunion of the range riders this year was Mrs. Susan Haughian, about whom I have written before. Mrs. Haughian came here as a sprightly lass from Ireland. Now in her 65th year, she has 10 children and 24 grandchildren—and she is as sprightly as ever.

Today she and her family own or lease more than 10,000 acres, but there were times when she and the kids weren't even sure of their groceries. Susan has had a rugged life, full of many troubles.

"But I wouldn't change one moment of my life if I could," she said stoutly. Courage has been her armor all the way, and it still is. She is a keen and active businesswoman, and wants to keep ranching as long as the Lord will allow her.

"I'm not going to be a baby sitter for 24 grandchildren," she said, laughing.

Susan's success story is matched by Leo Cremer, who is one of America's leading rodeo entrepreneurs as well as one of the state's "biggest ranchers."

"Mr. Rodeo" came here from Wisconsin in 1911 at the age of 20 with his young bride. He homesteaded 320 water-short acres. Like Susan and many other determined settlers, Cremer, when faced with the choice of buying better groceries or more acres, chose to gamble on acres.

Cremer now has 82,000 acres of deeded land and 18,000 acres under lease—more than 150 square miles. He is a big, graying man with a gusty laugh, who thinks any day is wasted if he doesn't spend at least part of it on horseback.

As a state senator one of Cremer's first proposals was to solve America's political troubles by moving the national capital from Washington, D. C., to Montana. His tongue-in-cheek suggestion met a rather cool reception out here.

"We're against it," one rancher said. "All those politicians would just stir up the cattle. Let 'em graze where they are."

There is a new whisper of wealth in Montana—oil. The search for black gold has brought a new kind of pioneer here.

But no matter how much oil they find, they will never play the romantic role of the homesteaders—the old range riders who tamed the land on horseback.

Mr. and Mrs. E. Y. Gamble and Mary Benedict were recent visitors in the home of Mr. and Mrs. William Packer of near Adena.

Mrs. Wilmer Satterthwaite, chairman of the local Vacation Bible School, entertained members of the teaching staff at her home.

Mr. and Mrs. L. F. Coffee and daughter Mary Jane have returned home after a week's vacation to Sioux City, Ia.

Elinor Hall of Richmond, Ind., was a Wednesday visitor in the E. C. Holloway home.

Recent guests in the home of Mr. and Mrs. Dawson Irey Jr., were Mr. and Mrs. A. T. Spence, Mr. and Mrs. Clyde Spence of Clairton, Pa.

HEADS SUMMER SCHOOL

LAKESIDE, O. (U)—The Rev. Carl Driscoll of Dover is acting dean of the 31st annual United Lutheran Church's summer school which opened here Monday. He replaces Dr. W. E. Bradley of Findlay who was hurt in a fall Wednesday.

TIRE STORE BURNS

COLUMBUS, O. (U)—A blaze that started among about 60 passenger car tires stored on the second floor, caused damage estimated at \$25,000 Monday to the E. T. Paul Co., Inc., a tire firm.

E. Liverpool Building Burns; Damage \$75,000

EAST LIVERPOOL (U)—A six-hour fire chased eight families from their apartments in the three-story Midler Building Monday and caused damage estimated at between \$75,000 and \$100,000.

Paul Stanley, Lucille Mosher, Evelyn Goff, Betty Talbot, Joyce Whit-cher, Susie Miles, Jerry Steer, James Jose, Charles Ellyson, Lee Steer, Joe Moore, Dale Hileman, David Ryser, Richard Ellyson, Kenneth Steer and Donald Swartz.

Brownie Scouts enjoyed a swimming party at Sevakeen Lake Wednesday, chaperoned by the leader, Mrs. Joseph Bush, and assisted by Mrs. Alva Tetlow.

Brownies who will camp at Camp Sandeoneida next week are Joan Easton, Evelyn Hanna, Mary Linder, Bernice Gidley, Norma Phillips, Louisa Hanna, Linda Wyss and Mary Lou Barclay.

The next meeting will be held in August.

The Men's Missionary group of the Friends Church will meet Tuesday evening at Phillips Lake, north of Sebring. A report of the Mens Missionary Convention, held in Alliance recently, will be given, and a wiener roast will be held.

Rev. and Mrs. Ronald Wells of Lexington, Ky. called on Mr. and Mrs. H. O. Stanley and Mrs. Margaret Chambers Tuesday.

Rev. and Mrs. Russel Myers of Alliance and Rev. and Mrs. Milton Coleman, returned missionaries from India, were recent dinner guests of Mr. and Mrs. Charles Winn.

Peggy Chambers is visiting Eva Davis of Senecaville.

Salem Woman's Husband Wins Recognition In Heart Research

By Marie Engert
Dr. Ray K. Brown, husband of the former Gertrude Harris of Salem, has received considerable recognition for research work done in conjunction with Drs. Christian B. Anfinsen and Edwin Boyle, at the National Heart Institute, Bethesda, Md.

making progress toward a method of predicting hardening of the arteries (arteriosclerosis) by means of blood tests. In the form of arteriosclerosis which effects the large arteries, fatty particles from the blood are deposited in the form of plaques on blood vessel walls. Eventually this process impairs the elasticity of the vessels and narrows their lumens so that the heart must work harder to pump blood through them.

Dr. Brown and his co-workers have discovered that the healthy body ordinarily breaks down fatty substances by means of a "clearing factor" made up of at least two serum components and one tissue component, which acts in conjunction with anti clotting heparin.

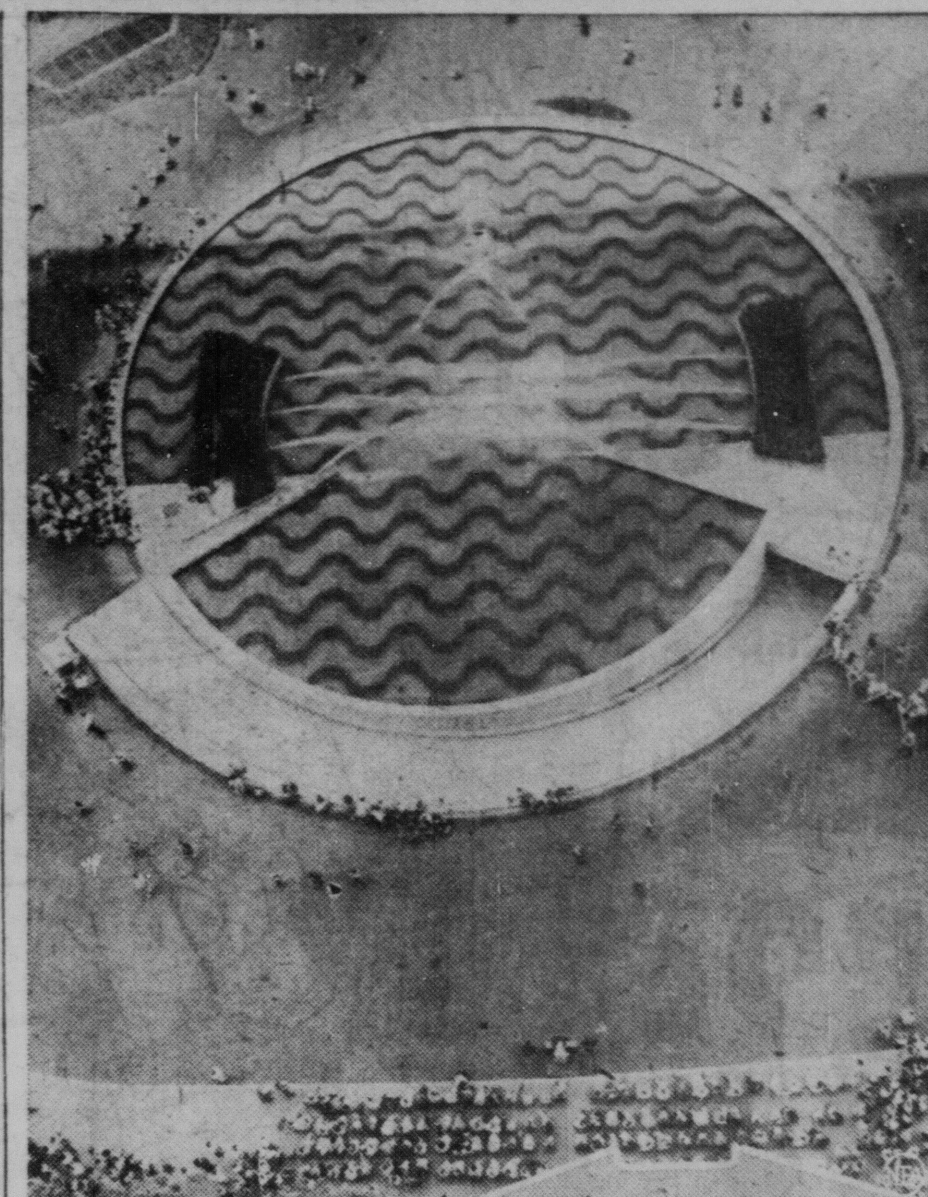

These three doctors are trying to purify the serum and tissue components of their clearing factor. Upon acquiring more information about the fatty substances in the blood serum, specific tests probably can be made for blood serum components associated with hardening of the arteries. Their project promises to be one of the most exciting in heart research in years, it is pointed out.

Dr. Brown received his M.D. degree at Ohio State University. He interned at Boston City Hospital two years, and attended Harvard two years where he received his Master's degree.

This research project has already been published in the Washington Post, The New York Times and Pathfinder.

Mrs. Brown graduated from Salem High School in 1937. She attended Green Mountain College in Vermont, and Ohio State University. She is the daughter of Mr. and Mrs. Marion Harris, 999 Jennings Ave. Dr. and Mrs. Brown and daughter live at 2516 Lindell St., Silver Spring, Md.

Helicopter Pilot, Vet Of 2 Wars, Comes Back

M-Sgt. Leonard Mounts, son of Mrs. Elsie Mounts of Damascus, has arrived home from Korea. A helicopter pilot in Korea, Sgt. Mounts flew several missions in which he carried wounded soldiers from the frontlines to rear medical units. He was sent to Korea in October, 1951. He served with the Marines in World War II, having fought on Guadalcanal.

Sgt. Mounts' wife and two children live in Alliance. After spending some time there, Sgt. and Mrs. Mounts and family will go to Cherry Point, N.C.

Radio, TV Notebook

By C. E. BUTTERFIELD
NEW YORK (AP)—Women will have a bigger part than ever in this year's convention broadcasting. A crew of 40 or more is being sent to Chicago by the networks, with at least eight to get assignments on the air.

Actually, there'll be many more than 40, with the networks expecting to add as many local girls and women as the jobs require.

Television has developed many of these jobs for women. They are widely used as assistants, particularly in program preparation.

Among women broadcasters moving to Chicago are Martha Rountree of NBC and Mary Margaret McBride of ABC. Miss Rountree plans to conduct a series of special convention news conferences patterned after meet the press. Miss McBride will do her regular program from the Midwest. Robin Chandler, mistress of ceremonies in part of the summer replacement for Kate Smith NBC-TV Daytime show, will do some convention telecasting for that program. Hedda Hopper, movie commentator, will be on hand for MBS radio.

Among the regular news commentators switching to the convention scene will be Esther Van Wagoner, Tuft of NBC, Pauline Frederick of ABC and Helen Hall and Hazel Markel of MBS.

KITCHEN COMMENT

By Harmon Zepernick, R. E.

Baby Scalded In Wash Boiler

I know of a year-old child who fell into a scalding-hot wash boiler and lived. The child was in a high chair. The kitchen was cluttered because of a poorly "arranged" kitchen. Right next to the high chair was a wash boiler full of scalding water. Next to that was the woman washing clothes. The child leaned too far out just as the woman was called to the door. Over went the high chair and into the wash boiler went the baby. Frantic shrieks of the mother brought a neighbor and a doctor saved the child from horrible scars by proper care. The child recovered—without a scar but the mother never forgot the accident. It could not happen if her kitchen was modern! Today she HAS a modern "PLANNED" kitchen—with an automatic Maytag washing machine—safe for children. Let me help YOU plan YOUR modern kitchen. Just phone or write—no cost or obligation, of course.

Sincerely yours,
HARMON ZEPERNICK

Home Economist Tells Why Sausage Meats Are Your Best Buy!

"This problem of feeding hungry mouths gets to be a bigger headache every day for price-battered homemakers," says a noted home economist, "but there is a way to get back down within the budget that unfortunately all too few housewives know about."

"Sausage of all kinds offers an almost endless variety of lunches, main meat courses and combination meals . . . yet the savings can be tremendous. Sausage is all meat—no bones—no shrinkage—no waste. When you buy a pound you serve a pound, and you buy only exactly what you need."

Save Time...Save Work...Save Money

You save every way with sausage. It's ready in a matter of minutes for lunches, snacks, for main meat dishes. No long hot hours over the stove, no struggling and fuming at the end of a busy day.

Flavor-full Energy-full

Every single bite of sausage is packed with wonderful flavor goodness that makes even the daintiest appetite call for a second helping . . . packed with energy-building health-building real meat vitamins, minerals and proteins.

MORE MEAT FOR MY MONEY!

Thousands of women across the country are discovering every day how sausage helps them to serve really better meals for less. Dollar for pound and pound for dollar, there's just no other meat that gives you the complete and total economy of sausage. Yes, indeed, when you buy a pound you serve a pound . . . you serve every delicious bite of every single ounce you pay for.

North Korean Reds Say Allies Seek To Create New Incidents

MUNSAN, Korea (AP) — The Communists today accused the U. N. Command of "seeking pretexts for creating new incidents" as truce negotiators returned to Panmunjom following a three-day Allied-imposed recess.

North Korean Gen. Nam Il lambasted the U. N. for insisting that the Reds pinpoint the location of four prison camps in North Korea. His charge was included in a letter handed to Allied liaison officers a few minutes before negotiators began another futile attempt to break the long armistice deadlock.

Maj. Gen. William K. Harrison Jr. told the Reds "if the prisoner of war issue is settled, an armistice will result without delay."

He pointed out that the Allied draft on prisoner exchange reads that "all prisoners of war held in the custody of each side" will be released, and an exchange made according to "lists which have been checked" by each side.

Presumably captured Reds who refused to go home would not be included on the list turned over to the Communists for checking.

Nam promptly rejected Harrison's suggestion and insisted that all North Korean and Chinese prisoners of war be returned. He reiterated that the only way to reach an armistice is for the Allies to accept the Communist proposal of May which calls for the repatriation of all military prisoners. Allied refusal to repatriate any

prisoners who do not want to go home has deadlocked the armistice talks for weeks.

The meeting broke up after 29 minutes. The negotiators agreed to meet again Wednesday at 11 a.m. (9 p.m. Tuesday EST).

Senate

Continued From Page One

armed services budget is in the manner of laying out Air Force funds.

The Senate voted \$21,122,361,700 and the House \$20,752,412,912, compared with \$22,570,289,770 the President asked. The House voted its funds all in cash but the Senate stipulated that \$13,122,361,700 would be in cash and eight million in contract authority.

This authority permits contracts to be made with the assurance that Congress will vote to pay the bills later.

The Senate approved the contract authority proposed by O'Mahoney by a 79-0 vote but it was not explained why this, rather than a cash, would help speed the Air Force buildup.

Voted \$12,165,080,000
The Senate voted \$12,165,080,000 for the Army and \$12,699,574,142 for the Navy.

The House had voted \$12,244,400,000 and \$12,815,152,142. Truman had requested \$14,380,622,000 for the

Army and \$13,958,246,000 for the Navy.

The Senate bill does not include a House provision—opposed by the administration—to place a 46-billion-dollar lid on spending for the fiscal year, six billion below the planned figure.

Spending applies to new appropriations plus money from past appropriations for such things as planes and ships which take longer than a year to build.

Truman and Pentagon officials said a ceiling on spending would disrupt the plans for a military buildup.

The Senate approved by voice vote an amendment—turned down by the House—to give military men in Korea \$45 a month in combat pay. It would go to those who have been under actual enemy fire.

The Senate, by a standing vote,

rejected a proposal by Sen. Douglas (D-Ill.) to reduce special hazard pay for fliers and submariners to \$50 a month for enlisted men and \$100 a month for officers. The pay is based on a sliding scale, with some officers getting as much as \$210 extra.

Truman yesterday signed the only money bill he has received for this fiscal year. It provides \$3,437,895,000 for the Treasury and Postoffice Departments, slightly under the \$3,515,145,000 requested.

The President also signed a bill appropriating \$1,413,820,350, most of it to pay Korean War costs for the year just ended.

First Congress of American colonies was called by the general court of Massachusetts in 1690 to unite on a plan of defense against the French and Indians.

3rd Class Mail Charge Hiked 1/2 Cent Today

WASHINGTON (AP)—Users of the bulk third-class mailing privilege got a 30-million-dollar-a-year hike in their postal charges today.

The long-standing minimum charge of 1 cent per piece went up to 1 1/2 cents per piece—another of the staggered postage increases authorized by Congress last year to help wipe out the recurring postal deficit.

Indians Option Easter To Indianapolis

Harry Simpson To Play First

Outfielder Called Up From Tribe Farm Club

CLEVELAND (AP)—Luke Easter—Such a big guy, fans looked for him to homer every time he comes up—has left the Cleveland Indians for their minor league farm club at Indianapolis.

The Tribe optioned Easter, their regular first baseman of the past three seasons, to Indianapolis Monday night on 24-hour recall. In return they bought Dave Pope, 27-year-old Negro outfielder from Indianapolis.

Whether Luke comes back to the majors depends on his success against American Association pitching in overcoming a slump that dropped his batting average to .208 and also made his fielding unsteady.

Both Manager Al Lopez and General Manager Hank Greenberg said they thought the six-foot-four, 235-pound slugger would return. Luke, more than any other Indian, had been mentioned as the key to the Indians' 1952 pennant chances. Neither Lopez nor Greenberg have given up hope he will provide some long-ball hitting in the stretch drive.

Lopez thinks Easter may return before the month is out. He said: "If Luke has not regained his batting form at the end of three weeks, then he never will. Personally, I think that he will snap back and return to this club to help us a lot."

Luke, who came up to the Indians from San Diego in August, 1949, naturally was disappointed, and just as naturally wasn't in a position to say much. His comment was:

"If this will help me get my hittin' right again, then I'll help the team and I'm for it. I'm looking forward to being back real soon."

The Indians open a two-game series here tonight with the St. Louis Browns. Bob Feller, who has won six and lost seven so far, starts on the mound for Cleveland against either Tommy Byrne (3-7) or Gene Bearden (3-1).

One American Still In Male Tennis Match

WIMBLEDON, England (AP)—Defending Champion Doris Hart of Coral Gables, Fla., leads a five-strong American contingent into the women's quarter-finals of the All-England Lawn Tennis Championships today with the U. S. men's hopes hanging on one man—little Herbie Flam of Beverly Hills, Calif.

Flam was the only American to survive yesterday's quarter-final play in the men's division, where both Defending Champion Dick Savitt of Orange, N. J., and Vic Seixas of Philadelphia, ranked No. 1 in the U.S., were eliminated.

Flam's next test—a semifinal match with Jaroslav Drobny, the self-exiled Czech, now playing out of Egypt—comes tomorrow when top-seeded Frank Sedgman meets Mervyn Rose in an all-Australian semifinal.

The girls get to work today, parading down the field to four. At least one of the Americans must fall because Miss Hart faces Mrs. Pat Todd of La Jolla, Calif., in one quarter-final test.

Maureen Connolly of San Diego, Calif., the American champion, meets Mrs. Thelma Long of Australia, Shirley Fry of Akron, O., plays Mrs. Jean Walker-Smith of Britain and Louise Brough of Beverly Hills takes on Mrs. Jean Rinkel-Quertier of Britain. Miss Brough was a three-time Wimbledon winner between 1948 and 1950.

Men's play today will be confined to the doubles, where McGregor and Sedgman, the 1951 titleholders, meet Gulani Cuccelli and Marcello del Bello of Italy in the round of eight. Drobny and Budge Patty of Los Angeles face the British pair of Tony Mottram and Geoff Paish, Ham Richardson of Australia take up against Seixas and Eric Sturgess of South Africa and the 17-year-old Australian combination of Lewis Hoad and Ken Rosewall play Enrique Morea and Alejo Russell of Argentina.

Savitt was knocked out of the singles by Rose, 2-year-old Australian left-hander, 6-4, 3-6, 6-4, 4-6, 6-2.

Flam, a persistent little fellow who returns everything that is hit at him, ousted the highly-regarded Seixas, 6-4, 3-6, 6-3, 7-5, by outmaneuvering him. He remains the only survivor of 16 U. S. starters.

Charles Kunz, a member of the Olympic committee staff, said the Olympic teams would leave for Finland for the summer games on July 7, 8, 9 and 10.

Al Rosen, Musial Lead In Batting

NEW YORK (AP)—Stan Musial, an old hand at winning batting titles, tops the National League's hit parade for the second straight week today while Al Rosen of the Cleveland Indians continues to set the pace in the American League.

Musial, the All-Star outfielder of the St. Louis Cardinals, boasted a batting mark of .336 through games of Monday night. The Card slugger, seeking his sixth championship and third straight, has collected 86 hits in 256 trips to the plate and enjoys a nine-point lead over Brooklyn's Jackie Robinson.

Rosen, who never has batted .30 in his major league career, is out in front in the American League with a .32 average. Ferris Fain, last year's title winner, is second with a .323 figure.

U. S. Olympic Teams To Leave Next Week

NEW YORK (AP)—Forty-three members of the U. S. Olympic track and field team arrived at LaGuardia Field this morning from Los Angeles where in the last few days they competed for places on the team. The group was scheduled to leave for Princeton, N. J., where they will train.

Charles Kunz, a member of the Olympic committee staff, said the Olympic teams would leave for Finland for the summer games on July 7, 8, 9 and 10.

Butler Grange, Demings Win In Class AA

Butler Grange managed to squeeze out a 2-1 victory over Mullins in a Class AA softball game at Kelley Park Monday, as Glenn Mercer of Butler scattered three hits.

The lone run for Mullins came in the fifth inning when outfielder Steve Fronius belted a home run. Butler collected a run in the third and another in the sixth, giving them enough to defeat Mullins. John McQuiston of Mullins allowed six hits.

In another Class AA game, Demings edged out Bliss 3-2 as Dick Jackson of Bliss and Dave Ehrhart of Demings engaged in a pitcher's duel. Demings got off to an early start, garnering two of their three runs in the first inning. The winning run crossed the plate in the sixth.

Free-style swimming contests will be held for boys and girls in the age groups of 8 to 10, 11 to 13 and 14 to 16 and 17 and up.

Bob Lemon, Garcia On All-Star Team

CLEVELAND—Two Cleveland Indians pitchers were among the six chosen by Manager Casey Stengel for the American League All-Star squad which will face the National League on July 8 at Philadelphia.

Bob Lemon and Mike Garcia were the Tribe moundsmen to get the call. Other pitchers included Allie Reynolds of New York, Bobby Shantz of Philadelphia, Vic Raschi of New York and Satchel Paige of St. Louis.

Stengel also named Larry Doby and Jim Hegan to his All-Star roster which totals 25 players. Al Rosen, Bobby Avila and Dale Mitchell were elected to the team by the nation's fans in a balloting which ended Saturday night.

Red Sox Down New York 4-3

Pirates' Bob Friend Loses Eleventh Game

By JOE REICHLER
AP Sports Writer

Bob Friend and Murry Dickson appear destined to become the first Pittsburgh pitchers to lose 20 games in one season while Art Houtteman is well on his way to absorbing the most defeats in Detroit's American League history.

Each of the trio has dropped 11 decisions to gain the dubious distinction of being the "losingest" pitchers in the majors. Friend and Houtteman lost their 11th game yesterday and their seventh in a row. Dickson lost his 11th last Saturday.

All are toiling for last-place outfits.

Since Detroit has played 68 games, Houtteman stands to lose 25 this year unless he undergoes a complete reversal of form or his luck changes. At the same ratio, Friend and Dickson should lose 24 games since Pittsburgh has played 71 of its 154 games.

No Pittsburgh pitcher of modern times has lost 20 games. Only four Detroit pitchers ever lost 20 or more games in a single season.

Since 1945 only one pitcher in each league lost as many as 20 games. Alex Kellner of the Philadelphia Athletics and Bob Rush of the Chicago Cubs lost that many in 1950.

In sharp contrast, Sal Maglie of the New York Giants and Gerry Staley of the St. Louis Cardinals advanced another step toward their 20-victory goal yesterday.

Maglie notched his 11th triumph despite a shoddy performance as the Giants swept both ends of a doubleheader from the Boston Braves, 8-7 and 4-0. Staley registered his 10th success in the Cardinals' 7-4 win over Cincinnati.

Both big league pace-setters suffered surprising defeats as rookie Dick Brodowski pitched the Boston Red Sox to a 4-3 victory over the Yankees in New York and veteran Karl Drews hurled the Philadelphia Phils to a 4-0 win over the Dodgers in Brooklyn.

The White Sox, behind veteran Joe Dobson's five-hit pitching, thrashed Houtteman and the Tiger 7-2. Washington moved up a notch into fourth place, four games behind the Yankees, with a 6-2 decision over the Athletics. Frank Shea registered his sixth win against two defeats with a neat seven-hitter.

The Chicago Cubs set back Friend and the Pirates, 5-4, as shortstop Roy Smalley batted in all the winners' runs with a double and homer.

Cleveland and the St. Louis Browns were idle, causing the Indians to drop into fifth place as the Browns remained in the sixth slot.

Brodowski, a 19-year-old right-hander who was pitching Class D ball a year ago, stopped the Yankees with four hits as the Red Sox won their first game of the season at Yankee Stadium. They had dropped eight in a row there since last Sept. 5.

Drews handcuffed the Dodgers with five hits as he recorded his fourth victory. Richie Ashburn scored three of Philadelphia's runs off Carl Erskine and catcher Smoky Burgess drove him in each time.

Maglie was tagged for 11 hits and needed help from Dave Koslo in the eighth inning as he nearly blew a early 8-2 lead provided by Hank Thompson's two successive home runs.

Race Events Scheduled At Canfield Speedway

The regular Wednesday night card at the Canfield Speedway will be augmented this week by the Powder Puff Derby, the girls in Croswells have been providing thrills during past performances.

Friday afternoon, the National Championship 100-Mile Race takes over the half-mile track. The race is a wide open affair but the favorite is Mike Klapak of Warren who won the championship of 1950 and 1951.

Mike Little of Johnstown and Dick Linder of Pittsburgh will also be among those competing in the event.

The week at the Canfield Speedway will be topped off with the regular action on the quarter mile track Saturday night. Gates for the Wednesday and Saturday night programs open at 6:30. July 4th the games will open at 10:30 a.m.

LITTLE LEAGUE TILT
Fishers beat Sekelys 8 to 3 in the Little League game played Friday at Centennial Park. No doubleheader was played as had been reported.

The previous game was played between the two teams June 16 and resulted in a 7-4 victory for Sekelys.

MAUREEN CONNOLLY, San Diego, Calif., 17-year-old U. S. Women's singles champion, makes a backhand return in her match against Angela Mortimer, Devon, England, in third round of All-England lawn tennis championships at Wimbledon, England (June 25). Maureen lost seven games in match which she took, 6-4, 6-3.

Batting: Roy Smalley, Cubs — Batted in all Chicago's runs with a double and home run as the Cubs nipped the Pittsburgh Pirates 5-4.

Pitching: Dick Brodowski, Red Sox — The 19-year-old right-hander, making only his second big league start, handcuffed the Yankees with four hits as the Red Sox won their first game of the season at Yankee Stadium, 4-3.

Cardinals To Operate N. Canton Trout Camp

The St. Louis Cardinals will operate their North Canton trout camp Thursday and Saturday, Joe Mathes, head of the Cardinals minor league farm system, said today.

Scouts Bob Kline and Jack Sturdy will begin workouts each day promptly at 11 a.m., EDT. Players reporting for the trout sessions beginning Thursday at Memorial Field are to furnish their own shoes, gloves and a uniform if they have one.

The Cardinals will refund expenses incident to attending the trout camp to all those who are signed to a contract.

You can qualify; this could be your
chance for future security and the
kind of work you like. You must
be between the ages of 18 and 55 and
have the equivalent of an 8th grade
education or more. NO EXPERI-
ENCE necessary—but must be will-
ing to train in spare time at home
(will not interfere with present job).
For full details and further infor-
mation on how you may be able to
qualify, write giving age and edu-
cation to Box G-10, care Salem News.

SALESMEN

**LOCAL SERVICE
REPRESENTATIVE**
Due to the increased number of
policymakers in this area and in
order to render better service to
them, we are appointing a local
representative in Salem. We are
not looking for an ordinary sales-
man who will be satisfied with
\$75.00 or \$85.00 per week. Our out-
standing and unusual proposition is
for a man 35 to 55 who is inter-
ested in \$200 or more per week. The
man we select will receive the fol-
lowing qualifications: a good car;
a background of successful selling;
be absolutely honest and sober;
possessed with a strong desire to
make good; a willingness to work
hard and often long hours; and be
able to furnish the best of refer-
ences. For a man of this type we
offer a salary plus a bonus that
can easily run from \$25 to \$35 per
day. If you think you can qualify
and are interested in earning \$200.00
or more per week, write

Debate Opens On German Pact

Treaty Would Bind
U. S., Former Enemy

WASHINGTON, July 1 (AP)—Sen. Connally (D-Tex.) said today the pact setting up a new common European army including Western Germany are without parallel in history.

The veteran Foreign Relations Committee chairman made the statement as the Senate called for opening debate on ratification of two of the agreements. They would end the occupation of Western Germany and tie the republic into the defensive military force of the free world.

Connally predicted Senate approval without much trouble. A two-thirds vote is required.

Core of the network of pacts signed last month in Bonn and Paris is the one establishing a European Defense Community army with contingents from France, Italy, Belgium, The Netherlands, Luxembourg and Western Germany.

"The six nations who have signed this treaty," Connally said, "have been at each other's throats throughout much of their history; yet now, in an atmosphere of co-operation and cordiality, they surrender control over their armed forces to a supranational body."

"They have voluntarily given up their sovereignty over the most sensitive portion of any country's national life."

"If there is any comparable event in history, I cannot recall it."

The Senate is not called upon to ratify the EDC pact. But one of the agreements it must approve is a protocol to extend the security guarantees of the North Atlantic Pact to the EDC and thus to Western Germany.

The other up for a vote — the so-called peace contract between this country, Britain, France and Western Germany — would end the occupation and set up the basis for the German Republic to work with the West.

Connally said Western Germany could not be admitted to the North Atlantic Treaty Organization because that took unanimous con-

sent, which could not be obtained now.

But the result is about the same and the effect of the protocol is that we receive far-reaching guarantees from Germany," he said.

"This arrangement does not really enlarge United States commitments in Europe," Connally said.

"We already have troops stationed in Germany, and those troops will remain there under these agreements."

explored potential ground sources to the east, south and west of Salem. This initial survey was designed to find water to meet emergency needs, pending the development of a long range program to give the city an estimated three-million-gallon-per-day supply.

In May, 1949, Council approved a recommendation made by the safety-service director that the Chester Engineering Co. of Pittsburgh, Pa. be employed to survey and develop the long-range project.

FOLLOWING WEEKS OF surveying, the engineers determined

that the Guilford Lake area was the most suitable as the site of the proposed reservoir.

Their decision was influenced by two major considerations—first, water of the quality and quantity required by Salem could only be obtained from Cold Run, East Cold Run and the West Fork of the Little Beaver Creek, streams located in that region; second, because of the availability of electric power there.

As legal preparation for the vast project, Council, in March of 1950, sanctioned water rate increases averaging 47 percent across the board, authorized the sale of \$1,350,000 in mortgage revenue bonds to finance the program, passed an ordinance creating a Municipal Water Commission, and approved the mayor's appointment of three men to fill the Commission posts.

THE COMMISSION, comprised of Norman P. Pederson, F. P. Mullins and T. R. Dreyer, the latter succeeded later by F. W. McKee, secured the services of B. V. Bevier, Mansfield sanitary engineer, as engineer-superintendent, and the groundwork for construction of the water works project was complete.

Bar Owner Warned By Judge Tobin

Judge Louis Tobin issued a stiff warning to Frank Vescio, owner of the New House Cafe at Wells-ville, at a hearing Monday at the Columbiana County Courthouse in Lisbon as an aftermath of a mother of eight being given a 60-day jail term for having two teenage sons in the tavern at 3 a.m.

Judge Tobin said he also would write to the State Liquor Control Board at Columbus about the affair.

Both the mother and Vescio were cited to appear before Judge Tobin by Police Chief John B. Hephner. Police said she had been ordered out of one tavern at 1 a.m. but was picked up on an intoxication charge two hours later. The affair took place last week.

be argued on the unusual half-hour basis.

The 72 votes at stake include 38 in Texas, 18 in Florida, six in Louisiana, four each in Georgia and Mississippi, one each in Kansas and Missouri.

May Be Televised

Still at issue was whether the hearings will be televised. There was also a question of whether news cameramen would be admitted.

Taft was on the scene directing his forces. Eisenhower is scheduled to arrive Saturday from Denver.

Another GOP presidential aspirant, former Gov. Harold Stassen of Minnesota, flew to Chicago from New York Monday night.

The convention Resolutions Committee, which has the task of drafting the 1952 party platform, called up people with axes to grind for tips on how to do it.

Asks Taft-Hartley End

The CIO released a copy of the suggestions it plans to put before the committee. It calls on the GOP to disown the Taft-Hartley labor law as one way of winning workmen's votes. The AFL statement, to be delivered about mid-afternoon, was not available.

The Democratic presidential nomination race, which hits the finish line at the party's convention July 21, was also stirring. New talk was set off by Gov. Adlai Stevenson of Illinois, who had expressed no desire to seek the nomination this year.

Stevenson, who shifted to a wait-and-see attitude last week, told a news conference Monday he would not foster a move to draft him. He said he expected no such move, but that if one should develop he would decide then whether to accept or reject it.

The three front-running candidates for Democratic nomination pressed their campaigns Monday—Sens. Estes Kefauver of Tennessee and Richard Russell of Georgia and Mutual Security Administrator Averell Harriman.

Market Continues Upward Trend

NEW YORK (AP)—The stock market continued its strong upward trend today for the fifth straight session with good leadership in major divisions.

Grains ran from fractions to between one and two points while losses were negligible.

The list drew support from rails, steels, motors, aircrafts, rubbers, non-ferrous metals, oils, radio-televisions, and chemicals.

Steels held steady with small gains most of the time.

Obituary

Mrs. Charles T. Butts

Nellie May Butts, 76, well-known resident of New Waterford, died at 1:20 a.m. Tuesday at her home after a lingering illness.

Born May 13, 1876, in Fredonia, Kan., she was the daughter of Mr. and Mrs. John G. Beasley. She was married Jan. 19, 1895 to Charles T. Butts in Fredonia. He died Feb. 16, 1948. She had been a resident of New Waterford for 16 years, moving here from Fredonia and was a member of the New Waterford Methodist Church.

Survivors include two daughters, Miss Anna Louise Butts in the home and Mrs. Lee Myers of East Palestine; a brother, Hal Beasley of Denver, Colo.; and two grandchildren.

Funeral service will be held at 7:30 p.m. Thursday at the Warrick funeral home in Columbiana with interment in the city cemetery, in Fredonia. Rev. William Thomas, pastor of the New Waterford Methodist Church, will officiate.

Friends may call at the funeral home Wednesday from 7 to 9 p.m. The body will be taken to Fredonia for burial.

Mrs. Albert Evans

Mrs. Oletta A. Evans, 77, former Salem resident, died suddenly of a heart ailment Monday afternoon at her home in Philadelphia.

Born at the Arter Homestead at Guilford May 18, 1875, she was the daughter of Aaron and Mary Ann Pike. Her husband, Albert J., died in 1944.

She had lived in Philadelphia most of the 40 years after leaving Salem, except for a few years spent in Cuba. She was formerly a member of the Presbyterian Church here and the Daughters of the American Revolution.

She is survived by a daughter, Mrs. Lloyd Dodson of Philadelphia; a son, Steven A. of Dayton; a brother, Homer Arter of Tampa, Fla.; and four grandchildren.

Funeral service will be held at 2 p.m. Thursday at the Arbaugh-Pearce funeral home in charge of Rev. Paul Gerrard of Presbyterian Church in Lisbon. Burial will be in Grandview Cemetery.

Friends may call at the funeral home Wednesday evening.

might have been overcome by fumes.

The Columbiana Fire Department, Salem state patrolmen and Sheriff Howard Clark also hurried to the scene.

C. T. Newsom, manager of the plant, was brought to the Salem City Hospital for examination after inhaling considerable fumes in his efforts to evacuate the injured.

Many of the employees who inhaled ammonia fumes were placed in oxygen tents. Hospital Administrator Jack Mosher reported.

The plant of the Northeast Ohio Poultry Association was crowded with onlookers soon after work of the explosion had spread. Relatives and friends hurried to ascertain who had been injured.

In all, 36 workers are employed at the plant.

Renfron, the truck driver, works for the Fort Pitt Bag and Burlap Co., Pittsburgh, making deliveries at the time of the explosion.

K. of C. Makes Plans To Install Officers

Plans to install new officers at 8:30 p.m. next Monday were made by Knights of Columbus members Monday night at the K. of C. hall.

E. T. McCue of Alliance, district deputy, will conduct the installation ceremonies. Retiring Grand Knight Gerald Stull appointed committees for the program which includes a lunch. Members are urged to attend.

2 Principals Switch Schools In County

LIBSON—County School Superintendent James L. McBride announced the switch of two county principals for the fall term which will open Sept. 2.

Supt. McBride said William Wilson will move from Clarkson to Elkton, while Carl Hinkle will move to West Point from Negley.

Wilson, 36, will succeed John Lehman, who has accepted a five-year tour as a missionary in Puerto Rico, while Hinkle, 30, will take over for Norman Bray, who has been called back to service in the Marine Corps.

Wilson is a graduate of Geneva College, while Hinkle received his education at David-Elkins University and the University of Pittsburgh.

Meanwhile, Supt. McBride said he is still searching for teachers to fill numerous vacancies in the rural system.

He said elementary teachers are needed along with mathematics, science, commercial and home economic teachers for high school grades.

Scrap, Tool Stolen

LIBSON—Sheriff Howard J. Clark reported thieves took scrap valued at \$200 and a cutting torch worth \$150 from the Prizant Junk Yard on the Columbiana-Leetonia Rd. sometime over the weekend. The theft was reported by Harry Prizant, the owner.
